REPORT OF
TRUSTEES OF WINCHESTER PUBLIC LIBRARY

The trustees of the public library in making this, their twenty-sixth annual report to the town, wish to state that the repairs on the main entrance of the library, which have been needed for years, and for which the town has refused to appropriate money, have now been made imperative by an accident which occurred a few weeks ago, in which a part of the coping over the entrance was pushed off by the heavy snow. Some of the coping was broken by the fall, and the steps were much injured. This accident will necessitate extensive repairs on the roof, as well as the steps, and will probably call for an appropriation in the neighborhood of \$1,500.00.

Respectfully submitted,

MARY E. HOLMES,
A. J. LOBDELL,
DORA E. SWAN,
A. D. JENNINGS,
J. GRACE ALEXANDER,

Trustees.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Board of Education, Winchester, N. H.

I respectfully submit my sixth annual report as superintendent of schools.

Although the report is addressed to the board of education it is the only means that the superintendent has of bringing to the notice of a large proportion of the townspeople many school matters that may well be deserving of consideration. The report further serves to preserve in permanent form statistics and records that may be of future value.

For the year 1916-17 there were 60 pupils enrolled in the high school, 246 enrolled in all the village schools, 125 in the Ashuelot schools and 67 in the seven rural schools, 438 in the entire public school system. 210 of these were boys and 228 were girls. The average membership was 383 and the average daily attendance was 364, making the percentage of attendance 95. This is a creditable showing and compares favorably with the state average of 92.5.

These children received a year's schooling at a total expenditure of \$12,509.80. On the basis of the average membership the cost per pupil was \$35.30. The average cost per pupil for the entire state for the year 1915-16 (no returns for 1916-17) was \$37.84. Winchester's per capita cost for schooling is therefore \$2.54 below the state per capita cost.

The valuation of the town of Winchester (1916) is \$2,026,958. This gives an expenditure on \$100 of 62 cents. This is a

little less than one third of \$1.95, the entire tax rate for the year.

The state average of expenditure per pupil for books and scholars' supplies is \$2.11. This sum multiplied by 383 the average membership of Winchester schools gives \$808.13. For six years Winchester's expenditure under this head has been much less than that amount, in some years less than one half the amount. Last year \$650 was raised under the head of books and supplies. But as that account is made to include janitors' supplies and school apparatus such as maps, typewriters, books of reference, etc., the actual amount spent for pupils' supplies alone was considerably less. I recommend that the sum of \$800 be raised for books and scholars' supplies and that expenses for the other classes of supplies be charged to another account.

The present scarcity of teachers, the unwillingness of teachers to accept rural schools, the increased cost of board and the dearth of local candidates lead me to recommend that one or two of the rural schools be closed, the children conveyed to the village schools and the weekly wages in the other rural schools be increased one dollar, making the wage of the normal trained and the certificated teacher, for whom the town receives from the state \$2 a week, in each of the rural schools \$12 per week.

For a year and a half our pupils have received musical instruction. Music doubtless is for life's enjoyment. Enjoyment then should be the aim of school music. This enjoyment however should be of the best music, and it comes only from training in taste and judgment.

The musical activity of the school is conducted along two complementary lines: first, singing which develops knowledge and skill; second, listening, which cultivates taste and judgment.

The singing activity consists of the memorizing of songs, the development of skill in singing them with good voice, expression and articulation and the learning to read music.

Training in listening has been given by the use of the Victrola. The instrument was borrowed from Stephen Bolasky and the records were loaned by the Keene normal school.

The work is progressing well under the direction of Miss Johnson who reports that the children put enthusiasm and earnestness into their music work, and expresses appreciation of the willing cooperation of the teachers.

No one will deny that good health of the school child is of more importance than efficient instruction. The laws of New Hampshire require instruction in physiology and hygiene in the public schools. It is a school subject of prime importance.

The Winchester schools are living up to the requirements of this law. In the first three years teachers try to inculcate habits of personal cleanliness and right living. Personal hygiene is studied in the fourth grade, the fifth grade takes up community hygiene and the work of the sixth grade deals with household hygiene. This instruction however falls short of satisfying the whole needs of the situation. To quote the words of the ex-state superintendent, Mr. Morrison: "It (medical inspection) is essential for two principal reasons.

"In the first place epidemics are prone to start among the children of a community which can most easily be identified in their initial stages in the schools and controlled through the schools. Secondly, a large percentage of backwardness in pupils is due to remediable physical conditions which are identifiable only by expert medical diagnosis; and likewise a very considerable amount of remediable physical defect is identifiable through medical inspection, which unless corrected will always be an handicap to the social efficiency of the pupil and a

drawback to his individual happiness." In 1913 the General Court enacted a permissive medical inspection law.

Outside of the large cities there are eighteen towns in N. H. having medical inspection. The cost varies from \$10 to \$300 and averages nearly \$100.

HIGH SCHOOL GRADUATES

June, 1917

Aaron M. Basch

Mildred H. Mansfield

Ella V. Young

Clarence B. Buchanan

Helen C. Scott

One of these entered the New Hampshire college at Durham, one entered normal school, one is employed in a store and two are at home.

In June seventeen pupils were graduated from the village grammar school and six from the Ashuelot grammar school. Sixteen of these in September entered the local high school and one entered a high school elsewhere. The names of the graduates are as follows: George Handy, Theodore Nelson, Julia Robbs, Alban Lobdell, Amelia Roy, Mildred Partridge, Dorothy Gee, Raymond Miner, Richard Hayes, Esther Stetson, Willard Thompson, Hazel Loveland, Marion Putnam, Bertha Putnam, Raymond Atherton, Leonard Detour, Edwin Bolton, Lillian Walker, Adonias Roy, Lillian McGaughey, Gertrude Sheridan, Norbert Patneaude, Wilmer Pickett.

There were an unusually large number of changes in the teaching force during the summer vacation.

Miss Reid decided to take up other work and so was not a candidate for reelection. Miss Peck was needed at home, so she declined a reelection. To fill these vacancies Miss Hazel P. George and Miss Ruth Acherman were engaged. Both are graduates (1917) of the Keene normal school.

Miss Willard, Miss Parsons, Miss Smith, Miss Bolton, and Mrs. Matthews, all teachers of our rural schools, declined a reelection. To fill the vacancies in these schools Miss Emma Fisher, Miss Zoe E. Stebbins, Miss Nettie Packard, Miss Marion E. Firmin and Miss Clara E. Campbell were appointed.

In October Miss Fisher was obliged to ask for a leave of absence and Mrs. Grace Carlin of Swanzey was secured as a substitute. As Miss Fisher was unable to return to her school after the Thanksgiving recess, Miss Laura E. Knight, a student at the Keene normal school was engaged to fill the vacancy.

Ten of the present teachers are normal graduates, two others have had some normal training, the rest are high school graduates who have had extended and successful experience.

In several practical ways the school children are doing patriotic work. In cooperation with the State Food Administration we distributed Hoover cards to the children to take home. Of the 169 parents receiving cards 132 responded by signing them.

In December Red Cross stamps were distributed to the pupils to sell. The proceeds of the sale were to be used by the society in their campaign against tuberculosis. 2,040 stamps were sold by the children.

In January an initial campaign in selling thrift stamps to the school children was inaugurated. After the week's campaign fifty pupils were reported to have purchased stamps to the amount of more than fifty dollars.

Respectfully submitted,

ANDREW P. AVERILL,
Superintendent.

VITAL STATISTICS

To the Selectmen :

In compliance with an act of the legislature, passed June session, 1897, amended by the legislature of 1899, requiring "clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths to the municipal officers for publication in the Annual Report," I hereby submit the following:

BUDGET OF THE TOWN

ESTIMATES OF REVENUE AND EXPENDITURES FOR THE ENSUING YEAR FROM
FEBRUARY 15, 1918, TO JANUARY 31, 1919, COMPARED WITH ACTUAL REV-
ENUE AND EXPENDITURES OF THE PREVIOUS YEAR FROM FEBRU-
ARY 15, 1917, TO JANUARY 31, 1918

SOURCES OF REVENUE

	Actual revenue previous year 1917	Estimated revenue ensuing year 1918	Increase	Decrease
From state:				
Insurance tax,	\$2 06	\$2 00		\$0 06
Railroad tax,	108 96	100 00		8 96
Savings bank tax,	389 40	375 00		14 40
For fighting forest fires,	38 01	100 00	61 99	
For highways:				
(a) For state aid maintenance,	25 75	50 00	24 25	
(b) For trunk line maintenance,	4,554 05	4,875 00	320 95	
Commission fees,	4 74			4 74
Refund of bounties,	35 00			
From local sources except taxes:				
All licenses and permits except dog licenses,	101 20	100 00		1 20
Fines and forfeits,	102 01	100 00		2 01
Rent of town hall and other buildings,	671 00	500 00		171 00

I hereby certify that the foregoing transcript of births,
marriages and deaths is correct, according to the best of my
knowledge and belief.

HOSEA W. BRIGHAM,

Town Clerk.
